

# DEAF SKI EUROPACUP

for clubs

Hello ski friends!

30 th June 2019

In March 2018 Martin Larch (ITA) resigned as EC Coordinator after 20 years. Since then I take over as coordinator with 4 supporters from ITA, SUI, FRA and GER.

The European Cup 2019 in FRA (Les Gets), GER (Todtnauberg), AUT (Gerlitzten) went well for 90%. There were 3 protests and various discussions. They also talked about some new reforms to make the European Cup more attractive and to get more participants.

I am happy to inform you that for the year 2020 3 clubs are ready to organise the EC 2020. It is the first time that we have received 3 calls for proposals as early as never before.

1. GER (Nesselwang) (fix)
2. SWE (Äre) (Chance 75%)
3. AUT (Weinebene) (fix)

Also to complete for the first time within 2 months in 3 countries.

LITTLE INFO: New rules will follow later (autumn 2019).

## **1st EC in Nesselwang (GER) – 23th-25th Jänner 2019**

Organizer of the Snowfestival, Mr. David Holler, has asked me to send you a summary info.

There will also be a Snowfestival (biathlon, snowboard, curling, cross-country skiing and snow volleyball). The website [www.snowfestival2020.eu](http://www.snowfestival2020.eu) contains a lot of information. There are 2 packages ("Sportler" in double room €210 each and "Trio" in triple room €190 each) including 4 nights (Wednesday to Sunday), breakfast, T-shirt as a souvenir, ski pass (3 days) and party. Please book "Ticket" on the Internet until 01 December 2019,

as long as the rooms are free. ATTENTION: Skipass only from Thursday to Saturday and not, as it says on the internet, from Friday to Sunday.

If you want to arrive later, please send an email to [info@snowfestival2020.eu](mailto:info@snowfestival2020.eu) until 23 October 2020.

Who would like to arrive earlier, must reserve. Snowfestival has only reserved rooms from Wednesday to Sunday.

ATTENTION: The races will only take place from Thursday to Saturday, as there will be no races on Sunday. Skiclub Nesselwang could organize, but Liftbertreiber refuses because of tourists.

**New change:** Friday slalom, Saturday giant slalom.

Reason: from experience always many runners come to the giant slalom.

For questions or ambiguities: please send an email to [info@snowfestival2020.eu](mailto:info@snowfestival2020.eu) .

Thank you!

### **2nd EC in Äre (SWE) – 13th-15th Februar 2020**

Same piste as WM in spring 2019, but FIS. Also the 2nd EC takes place only from Thursday to Saturday. No possible exchange between SL and GS. On the last day (Saturday) we could unfortunately not use the World Cup track, because World Cup Biathlon would like to prepare everything for Tuesday. We have to go there by bus for about 10 minutes. There the track is only suitable for SL.

The announcement has arrived. But Albert Boklund and Beatrice Brunnbauer want to organize even better. It is already 75% fixed!

As soon as we know more, I will inform you.

Thanks a lot!

### **3rd EC AUT (Weinebene) 28th Februar – 1st März 2020**

Organizer Michael Grill has also asked me to inform you. The races take place as usual from Friday to Sunday. We should reserve until the end of August 2019 under this reservation number "27-6605998 DEAF-EUROPACUP". After that we want to open Deutschlandsberg Youth Hostel for tourists. Or you can choose other accommodations.

Thank you!
